

**Institut Pasteur International Network
Reseau International des Instituts Pasteur (RIIP)**

European Regional Meeting

**13-15 October 2011
ROME, ITALY**

**INFECTION-RELATED CANCER
AND NEURODEGENERATIVE DISORDERS**

**SAPIENZA
UNIVERSITÀ DI ROMA**

PROGRAMME AT A GLANCE

13 October 2011 Presentation of Institutes – mutual exchange for project building

09:00 – 10:30	Opening – Presentation of Institutes
11:00 – 12:30	Presentation of the European Institut Pasteur International Network
12:30 – 14:00	Buffet Lunch
14:00 – 16:30	Scientists session - brainstorming – mutual exchange
17:00 – 19:00	continuing discussions – collaboration opportunities
20:30 –	Dinner at Ristorante il Pompiere

14 October 2011 Scientific Symposium : Infection-Related Cancer And Neurodegenerative Disorders

09:00 – 10:00	Opening Session Welcome Address
10:00 – 11:45	Keynote Speakers –
11:45 – 12:30	Session 1 – Pathogen-driven mucosal inflammation and cancer
12:30 – 14:00	Buffet Lunch
14:00 - 16:40	Session 2 - Hepatitis viruses, inflammation and cancer
16:40 - 18:00	Session 3 - Viral infection and neurodegenerative disorders
20:30	Dinner at Hotel Forum

15 October 2011 Workshops

09:00 – 10:00	Building transversal collaboration – Workshops
11:30 – 13:00	General discussion: presentation of workshop reports, summary and conclusions
13:00 – 14:00	Buffet lunch – end of the meeting

SPEAKERS

SPAETH Gerald

Institut Pasteur, Paris

LECUIT Marc , MD PhD

Institut Pasteur, Paris

MAVROMARA Pénélope

Hellenic Institut Pasteur, Athens

BERNARDINI Maria Lina

University of Rome La Sapienza, Rome

PALAMARA Anna Teresa, Pr

University of Rome La Sapienza, Rome

TRIKI Hinda

Institut Pasteur of Tunis, Tunis

CHAMAILLARD Mathias

Institut Pasteur of Lille, Lille

FAGGIONI Alberto

Istituto Pasteur-Fondazione Cenci-Bolognetti,
Rome

PINEAU Pascal

Institut Pasteur, Paris

WEI Yu

Institut Pasteur, Paris

MATSAS Rebecca

Hellenic Institut Pasteur, Athens

TRIPODI Marco

University of Rome La Sapienza, Rome

BARNABA Vincenzo

University of Rome La Sapienza, Rome

DUBUISSON Jean

Institut Pasteur of Lille, Lille

REZZA Giovanni

Istituto Superiore di Sanità, Rome

SCIENTIFIC PROGRAMME

Friday, 14 October 2011

Location	“Sapienza” University of Rome, Rectorate
	Moderators: Paolo Amati (Istituto Pasteur-Fondazione Cenci-Bolognetti, Rome), Marc Jouan (, Institut Pasteur, Paris), Angel Galabov (Stephan Angeloff Institute of Microbiology, Sofia)
09:00 – 10:00	Welcome & Opening Addresses Paolo Amati President Istituto Pasteur-Fondazione Cenci-Bolognetti, Rome Luigi Frati Rector “Sapienza” University of Rome Ruffini Pierre-Bruno Representative from French-Embassy in Rome Jérôme Salomon Head International Division, Institut Pasteur, Paris, France
Lecture	Keynote Speakers Moderators: Ernesto Di Mauro (Istituto Pasteur-Fondazione Cenci-Bolognetti, Rome) - Gabriel Ionescu (Cantacuzino Institute, Bucharest)
10:00 – 10:30	Giovanni Rezza (Istituto Superiore di Sanità, Rome) Epidemiology of cancer and infection
10:30 – 11:00	Gerald Spaeth (Institut Pasteur, Paris) Targeting protein kinases for drug development in cancer and parasitic disease
11:00 – 11:30	Marc Lecuit (Institut Pasteur, Paris) Infection-associated lymphomas
11:30 – 11:40	Coffee Break

- Session 1: Pathogen-driven mucosal inflammation and cancer**
Moderators: : Angela Santoni (Istituto Pasteur-Fondazione Cenci-Bolognetti, Rome) – Camille Locht (Institut Pasteur in Lille)
- 11:45 – 12:05 **Nods-like receptors: linebackers shaping gut microbial ecology, intestinal inflammation and tumorigenesis**
[Mathias Chamaillard](#)
Institut Pasteur in Lille
- 12:05 – 12:25 **Bacterial structures as mediators of host inflammation**
[Lina Bernardini](#)
Istituto Pasteur-Fondazione Cenci-Bolognetti, Rome
- 12:30 – 14:00 **Buffet Lunch**
- Session 2: Hepatitis viruses, inflammation and cancer**
Moderators: Hechmi Louzir (Institut Pasteur in Tunis) – Anna Tramontano (Istituto Pasteur-Fondazione Cenci-Bolognetti, Rome)
- 14:00 – 14:20 **Impact of HCV sequence variability on diagnosis, pathogenesis and therapy outcome of infection**
[Penelope Mavromara](#)
Hellenic Institut Pasteur, Athens
- 14:20 – 14:40 **Hepatocarcinogenesis and hepatitis B virus**
[Yu Wei](#)
Institut Pasteur, Paris
- 14:40 – 15:00 **Hepatitis C and B viruses and hepatocellular carcinoma in Tunisia**
[Hinda Triki](#)
Institut Pasteur in Tunis
- 15:00 – 15:20 **Autoimmunity by infections**
[Vincenzo Barnaba](#)
Istituto Pasteur-Fondazione Cenci-Bolognetti, Rome

- 15:20 – 15:40 **High rate of somatic alterations in malignant primary tumors of the liver in Romania**
[Pascal Pineau](#)
 Institut Pasteur, Paris
- 15:40 – 16:00 **Coffee Break**
- 16:00 – 16:20 **Epithelial-to-mesenchymal transition in hepatic cells**
[Marco Tripodi](#)
 Istituto Pasteur-Fondazione Cenci-Bolognetti, Rome
- 16:20 – 16:40 **Targeting hepatitis C virus entry for the development of new antiviral molecules**
[Jean Dubuisson](#)
 Institut Pasteur in Lille
- Session 3: Viral infection and neurodegenerative disorders**
 Moderators: Radu Dorel (Cantacuzino Institute, Bucharest) – Marc Lecuit (Institut Pasteur, Paris)
- 16:40 – 17:00 **Epstein-Barr virus infection in malignant and autoimmune diseases**
[Alberto Faggioni](#)
 Istituto Pasteur-Fondazione Cenci-Bolognetti, Rome
- 17:00 – 17:20 **Potential role of HSV-1 infection in neurodegeneration**
[Anna Teresa Palamara](#)
 Istituto Pasteur-Fondazione Cenci-Bolognetti, Rome
- 17:20 – 17:40 ***Ex vivo* gene therapy approaches and bioimaging for neurodegenerative diseases and neurotrauma**
[Rebecca Matsas](#)
 Hellenic Institut Pasteur, Athens
- 20:30 Dinner at Hotel Forum
